YEALINK YHS33

Περιγραφή

Yealink YHS33 is the over-the-head style headset made for office workers, SOHO's and call center staff.

Compliant with the full range of Yealink's enterprise IP phones, offers a slim and stylish, distinctive design with an elegant satin finish. Its feather-weight materials and ear pads are made from bio-mimetic protein-based leather to ensure luxurious comfort, while its unique pivoting boom delivers crystal-clear, private conversations. Coupled with wideband audio technology, delivers richer, clearer conversations reducing the listening fatigue. Furthermore, it's ultra noise-cancelling microphone filters out background noise for perfect speech transmission. The headset cord comes with Quick Disconnect (QD) enabling users to leave quickly for a short time their office or switch easily to other sound equipment. Yealink YHS33 stands its unique position in the market with the combination of exceptional comfort, durable lifecycle, premium quality, and brilliant sound.

Key Features & Benefits:

- HD Wideband audio for more natural sound and clearer conversations
- Ultra microphone noise cancellation
- 330° pivoting microphone boom
- Active Protection™ safeguarding users against high levels of acoustic burst
- Over-the-head, ergonomic & comfortable design for all-day intensive use
- Feather-weight, only 50g & soft ear cushions guarantee exceptional wearing comfort
- Headset cord with Quick Disconnect (QD) providing users with walkaway convenience.
- Plug and play
