## YEALINK W60P

YEALINK

### Περιγραφή

The Yealink W60P IP DECT Phone is the ideal solution for any small to medium sized company where employees need to handle calls away from their desks or moving around the premises.

Delivering a perfect balance of portability with call management capabilities, the W60 also allows users to handle up to 8 calls simultaneously while on the move – keeping users connected up to 50m indoors and 300m outdoors from the phone's base unit.

This high-performance SIP cordless phone system also delivers professional audio quality in both high-bandwidth and poor network conditions, and pairs with up to a total of 8 Yealink W52H/W56H DECT handsets as well, offering the ultimate productivity solution for any business.

Add to this Yealink's Zero Touch Provisioning capabilities, and the W60 can be integrated without any complex manual settings – making it simple to deploy, easy to maintain, and saving even more time and IT costs for the businesses.
