UBIQUITI UNIFI CLOUD KEY G2 RACK MOUNT

UBIQUITI

UBIQUITI CLOUD KEY G2 RACK MOUNT

Περιγραφή

Mount your CloudKey G2 or CloudKey G2 Plus into a 19" rack with the Cloud Key G2 Rack Mount Accessory. The Cloud Key G2 and Cloud Key G2 Plus lock securely into the back of the Rack Mount Accessory for a clean and secure installation. The Cloud Key front panel display, RJ45 ethernet connector, reset button, and status LED are exposed on the front panel for easy access.

The most important features:

Works with CloudKey G2 and Cloud Key G2 Plus

Front-panel ethernet port for clean installation

Includes four cage nuts and M6 bolts
